SURE CROP

II Cor. 9:10

Quality Liquid Crop Nutrition

Healthy Fields ~ Optimum Yields!

Sure Start provides available Phosphorus for faster, more uniform germination and vigorous plant emergence

Sure Start

Balanced N-P-K Formulations for Immediate and Continued Nutrient Release

	Weight Per Gallon	Freezing Point
7-25-2	10.70 lbs	9° F
8-27-3	11.10 lbs	1° F
4-16-5	10.50 lbs	14° F
5-20-5	10.40 lbs	10° F

SURE CROP

Division of Ag Connection Sales, Inc.

Sure Start 7-25-2

Sure Start 8-27-3

Sure Start 4-16-5

Sure Start 5-20-5

- Quality balanced formulations of Nitrogen, Phosphorus and Potassium
- Provides equivalency of 10-12 lbs of available phosphorus per gallon for most crops in most soils and growing conditions
- Helps develop more vigorous root mass
- Faster germination, more uniform plant emergence
- Homogenized, near neutral pH
- “Seed safe” for most crops, ideal for application at planting
- Less corrosive on planting equipment
- Faster dry down for earlier maturity
- Efficient and economical, less fertilizer lost to the environment
- Apply when and where crops need
